

Proposed Donor Display

Phase 1 of River's Edge Park

Friends of the Parks Foundation

The Council Bluffs, Iowa Friends of the Parks Foundation was recently formed to raise funds for our City's parks. The Foundation's Board Members believe that great parks enhance and promote our quality of life. The Foundation has been designated, by the City, as the official fund raising group for this project. Also by City Council action, a specific fund has been established and donations to this fund can only be expended for the River's Edge Park. Donations qualify for tax deductible status.

Friends of the Parks Foundation Board Members

President: Bill Spitznagle

Vice President: Glenda Doupe

Treasurer: Matt Garst

Secretary: Larry Foster

Board Members: Cheryl Heininger and Bob Jordan

River's Edge Park Community Fund Raising Campaign

River's Edge Park Community Fund Raising Campaign

Project Overview

The City of Council Bluffs has announced a project to bring another family-friendly park to its citizens. A visionary plan for a world class riverfront park has been prepared to further provide recreational opportunities for our community. The River's Edge Park will be located at the foot of the Bob Kerrey Pedestrian Bridge and will include these unique features:

- Connections to over 100 miles of existing trails
- Great lawn with amphitheater overlooking lawn
- Easily accessible plaza along the river's edge
- Sand area with umbrellas overlooking the river
- Amenities for concerts, events and gatherings
- A scenic riverfront drive

Why hold a community fund raiser?

The Friends of the Parks Foundation believes many residents and park users would like to help bring their city "Back to the River." The Foundation has initiated this fund raiser to offer individuals and families a chance to be part of this great riverfront park.

A partnership between the City and the Iowa West Foundation has already provided significant funds for Phase 1 of this project. With your contributions, we can further enhance the park's facilities and possibly qualify for State funding.

Put "Your Name" on the Riverfront

As an incentive to donors, a prominent spot within the park has been designated to house a unique "Donor Display." This area will feature three large stainless steel pillars. All donor names will be illustrated on these pillars. This display provides the opportunity to show family and friends the important role you played in this momentous project. A picture of the proposed display is included on the back panel of this pamphlet. Donor names will generally be displayed in order of payment. All fund raising will be completed by June 15, 2010.

How Can My Name be Displayed?

A name display is limited to 30 characters; spaces count as characters. A name is not limited to one person. Appropriate examples of names are:

John Adams
John & Jean Adams
In Memory of John Adams
Mr. & Mrs. John Adams
The John & Jean Adams Family
Friends of John & Jean Adams

If you have any questions please contact Skyler Beck at sbeck@councilbluffs-ia.gov or (712) 328-4649.
